Sub:- Centralised Valuation Camps - COVID-19- Instructions -Reg.,

In continuation of the earlier mail of today, it is informed that on further reviewing the situation, the centralized valuation camps may not be held even with lesser number of faculty. Faculty may be asked to come to the centralised valuation camps and collect their answer papers. They should be asked to return the papers within a specified time frame, failing which action may have to be taken.

Apologies for the inconvenience caused.
