

About the Institution

The College of Engineering Kottarakkara (CEK), established under the Institute of Human Resources Development (IHRD), Government of Kerala, is a premier institution dedicated to technical education and professional excellence. Affiliated to APJ Abdul Kalam Technological University and approved by AICTE, the college offers undergraduate programs in key engineering disciplines. With a strong focus on academic rigor, practical training, and innovation, the institution nurtures competent engineers and researchers. State-of-the-art facilities, experienced faculty, and an industry-oriented learning environment enable students to excel in technology and contribute meaningfully to society. The college continually strives for excellence in teaching, research, and development.

Admissions are based on ranks secured in the All-Kerala Common Entrance Examinations.

CEK currently offers undergraduate programs in

- **Computer Science and Engineering**
- **Artificial Intelligence and Machine Learning**
- **Bachelor of Computer Applications (BCA)**
- **Bachelor of Business Administration (BBA)**
